Order.:	Z060130054

Certification Body confirms by this certificate that performances of the product samples are in compliance with requirements of the technical specification:

- ETAG 004 External Thermal Insulation Composite Systems, edition 2013, clause 6.6 and Annex C.3.

This certificate refers to the Report of the Product Certification No. 060-040810 of February 27<sup>th</sup> 2015, issued by Technical and Test Institute of Construction Prague – branch-office Brno, which has been handed over to the applicant. The report includes the conclusion of the findings and terms of validity of the certificate.

The certificate has 1 annex (1 page), that is to be considered an integral part of this certificate.

This certificate is issued on the basis of initial type testing and is valid provided that the surveillance is conducted at least once every 6 months.

The certificate is valid till: **February 28<sup>th</sup> 2018**

Brno, February 27<sup>th</sup> 2015

**Ing. Miroslav Procházka**  
Deputy Manager of the Certification Body

## Annex of the certificate No. 060-040811

### Conditions of validity and using of the certificate:

1. Certificate of conformity has to be used only for purposes for which it was issued.
2. This certificate does not replace documents issued by the Authorized Body pursuant to the Government Decree No. 163/2002 Coll., as amended, or by Notified Body in accordance with Regulation 305/2011/EU of the European Parliament and of the Council, as amended;
3. Certified product must be permanently in compliance with the technical specification.
4. The certificate holder is obliged:
  - a) to inform the Certification Body about any changes: modification of product, production process, materials and/or changes of factory production control influencing the product conformity;
  - b) to inform the Certification Body about any changes of ownership, structure or management;
  - c) to record any complaints relating to non-conformity of certified product with requirements of the technical specification;
  - d) to take appropriate actions to eliminate the non-conformity and record actions taken;
  - e) to make records about complaints mentioned above available to the certification body when requested;
  - f) to allow the Certification Body to carry out continuous surveillance for the duration of the certificate.
5. Certification Body re-evaluates the product in case of a change of technical specification, in case of changes affecting product performances or in case of significant changes of ownership, structure or management.
6. The validity of this certificate is subject to a favourable evaluation of the results of the surveillance contained in the Surveillance Reports of certification body which are handed over to the certificate holder.
7. Against this certificate the applicant has the right to appeal to TZUS Prague, Quality Control Department within 15 days of receipt of this certificate.

This Annex is an integral part of the certificate No. Z060130054.

Brno, February 27<sup>th</sup> 2015

**Ing. Miroslav Procházka**  
Deputy Manager of the Certificate Body
